This project is made possible using funding from the Minnesota Department of Education.

This online workshop is designed to provide participants with options and outcomes for dispute resolution. Communication strategies and problem-solving tips will be included to increase participants' knowledge about dispute resolution.

The workshop will help participants:

- Understand dispute resolution options
- Reduce disagreements through effective communication
- Discuss options to choose in various situations
- Learn how to develop and organize important special education records

If an ASL interpreter is needed, contact PACERWorkshops@PACER.org with 48 hrs. notice.
